

# Gamma-ray Science Interest Group (GRSIG) Physics of the Cosmos (PCOS)

Eric Burns

230109

<https://pcos.gsfc.nasa.gov/sigs/grsig.php>

(slides mostly copied from Justin Finke)

# Gamma-ray SIG

- A focal point/forum for the gamma-ray community
- Maintain a list of technologies for future hard X-ray/gamma-ray missions
  - <https://docs.google.com/spreadsheets/d/1PmV6u8-wzbvxcUEaRfllWVC0vdYtWwYxMIVPuq5mdk/edit?usp=sharing>
- Produce suggestions to help support needs of community (organizational, scientific, funding)

# Gamma-ray SIG coordinators

- Current:
  - Bindu Rani (NASA Goddard; [binduphysics@gmail.com](mailto:binduphysics@gmail.com))
  - Eric Burns (Louisiana State University; [ericburns@lsu.edu](mailto:ericburns@lsu.edu))
  - Justin Finke (Naval Research Laboratory; [justin.finke@nrl.navy.mil](mailto:justin.finke@nrl.navy.mil))
- Future: **PhysPAG is seeking new Executive Committee members. Email us for nomination details (self nominations encouraged)**
  - Bindu and Eric (hopefully) rotating off GR SIG
- Sign up for GRSIG mailing list!  
<https://pcos.gsfc.nasa.gov/sigs/grsig/grsig-maillist.php>  
>100 subscribers

# Science Action Groups of Interest to GR SIG

- Great Observatories SAG
  - Signup at <https://www.greatobservatories.org/sag>
  - Co-chairs; Grant Tremblay, Janice Lee, Ilaria Pascucci
- AWESOM SAG
  - State of the profession
  - AAS 241 Wednesday 9-11am PT, 303
- Gamma-ray Transient Network SAG
  - Signup by emailing [GTN-SAG-join@lists.nasa.gov](mailto:GTN-SAG-join@lists.nasa.gov) with Subject: "join"
  - First meeting Tuesday January 24<sup>th</sup> at 1pm ET
- Communications SAG
  - Mentioned by Mark Clampin this week, details will be announced when finalized

# Upcoming Events

- GR SIG Advertisement talk at April APS Meeting April 15-28, 2023, Minneapolis, Minnesota
- ~Bi monthly Zoom Meetings in the later half of the year
  - Please email us if you have topic suggestions or things you would like to present
